

ABOUT US

Located on a 2.5-acre campus, CACC is one of the largest providers of infant, toddler, and preschool care in Boston. The Center is licensed by the Massachusetts Department of Early Education and Care. CACC is proud to host the BPS Universal Pre-K program.

At Crispus Attucks Children's Center, we nurture and care for each child individually, helping them grow up strong and smart. From babies as young as 1.5 months to curious pre-schoolers, Crispus Attucks Children's Center is there to guide your child through all stages of their development

INFANTS *6 weeks - 15 months*

- Our classrooms are designed to create a safe and nurturing environment for each child
- Infants are assessed four times per year to ensure they are meeting physical, socio-emotional, cognitive, and language milestones
- Most importantly, our staff works to develop a close and caring bond with each infant from their first day at CACC

16 months - 2 years TODDLERS

- Our literacy-rich classrooms promote early language and reading skills
- Supervised play promotes socioemotional development
- Each child receives careful screening to catch any developmental delays and curate a strategy to support them

PRESCHOOLERS *3 years - 6 years*

- Children are encouraged to explore the worlds of reading, science, math, art, and technology
- Our curriculum is designed to promote independence, social skills, cooperation, and emotional regulation
- Our teachers are dedicated to creating a stimulating and nurturing environment to prepare your child for elementary school
